Davidsbündler Salon Concert Series, p. 54-59

17 concerts took place at the Davidsbündler
Music Academy Salon.

The Steinway in our salon is kindly on loan from the Nationaal Muziekinstrumenten Fonds

The Davidsbündler Music Academy offers a stimulating environment for intensive classical music training to talented and dedicated young pianists and string players.

Our target group of students is aged 8 to 22. During their formative years, our professional yet personal and tailored training is critical for them to reach their full potential on and off stage.

The Davidsbündler Music Academy's unique value lies in its professional coaching by acclaimed performing artists, the exposure it offers students to perform side by side with eminent musicians and to engage with managers and producers. We provide scholarships to students from low income families.

Entering the music world with the Davidsbündler advantage, our students have a well rounded understanding of life as a performer and they have an excellent track record on the stages of international youth competitions.

Our students leave the Academy as representatives of a free spirited, progressive and openminded society – the essence behind composer Robert Schumann's 'Davidsbündler'.

The Davidsbündler Music Academy is an initiative of Anna Fedorova and Nicholas Schwartz, which is carried by the **Stichting Davidsbundler Foundation**, a recognised philanthropic organisation in the Netherlands (ANBI).

Educational Events

This season the Academy organised **16 educational events**, creating incredible opportunities for both in house and visiting students to widen their musical understanding and be given a boost of inspiration.

Davidsbündler Salon Concert Series & Events

17 concerts took place at the Davidsbündler Music Academy Salon throughout the season. World class artists performing in the salon's intimate atmosphere is what makes this series so special and unique.

This season the new Rising Stars series gave budding talents the opportunity to perform solo recitals for our regular concert going public. The beautiful Steinway in our salon is kindly on loan from the Nationaal Muziekinstrumenten Fonds.
